STATEMENT BY ADDED INVENTOR

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Jeffrey L. Morin, was informed that the above-identified application was filed without naming me as an inventor. This is incorrect as I believe I contributed to the presently claimed subject matter. This error in the inventorship arose without any deceptive intention on my part.

Correction of inventorship to add me as an inventor of this application is therefore requested.

ASSIGNMENT OF U.S. PATENT APPLICATION

WHEREAS, I, Jeffrey L. Morin, residing at 911 St. Johns, Lincoln Park, MI 48146 (hereinafter referred to as the "Assignor") have invented certain new and useful improvements in

Weight Measuring Systems and Methods for Vehicles

and for which non-provisional U.S. patent application Ser. No. 10/733,957 (designated attorney docket no. ATI-371) was filed on December 11, 2003; and

WHEREAS, Automotive Technologies International, Inc., of P.O. Box 8, Denville, New Jersey 07834, ("Assignee"), is desirous of obtaining the entire right, title and interest in, to and under the invention and the application and any foreign applications corresponding thereto or claiming priority thereof;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, I, the Assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. non-provisional application, and all divisionals, reissues, renewals and continuations thereof, and all U.S. patents which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all application for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the U.S. application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

I HEREBY authorize and request the Commissioner for Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith; and

I HEREBY further covenant and agree that I will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, I set my hand the day and year set forth opposite my signature.
